Joy To The World

Ray L. Baker

An artist is defined as a person whose creative works displays skill and craftsmanship with imagination, ingenuity, and beauty". Original, innovative, creative are just a few words that describes the music of Ray L. Baker. For more than 3 decades, the professional performances of Ray L. Baker on the alto, tenor, soprano saxophones and piano have been entertaining and motivating to all listening ears. Ray's hearts's desire is to touch peoples lives through music.

Originally from Manhattan-- (Kansas that is), Ray began his music career playing the piano and clarinet in grade school. By the 8th grade Ray change over to the tenor saxophone and began to play in local bands. His studies of music led him to Jr. College and later to Wichita State University, where he studied Music and Business Administration. While in college Ray formed and played with many different group and begin writing music. He also accepted Jesus Christ as his Lord and Savior and dedicated his talents to God, In 1983. Ray married Pamela, a beautiful and sweet lady and in 1986 they moved to Dallas, Texas, where Ray attended Christ For The Nations Institute and graduated in 1988. Ray owns and operates a music production company, RLB Productions and produces several concert series, such as Jazz OnStage Concert, The Joy To The World Jazz Concert, and The Jazz Impact Concert.

Ray is more than a musician, he is an artist. The versatility that he expresses through his music incorporates the various forms of jazz such as funk, swing, bebop, Latin jazz. Ray performs as a soloist with backup tracks or with a 5-8 piece group. Ray's talents also includes songwriting, arranging, orchestrating, and producing. Ray has performed concerts all over the United States, Mexico, and Jamaica. He extensive collections of original music adds an exciting appeal to all concerts.
